Panskura Banamali College (Autonomous):

As regards its present status, Panskura Banamali College (affiliated to Vidyasagar University) is a (State) Govt.-aided Autonomous college. This was first accredited with grade 'A' by NAAC in 2005 and reaccredited with 'again by NAAC in 2016 and won its Autonomous status from the session 2018-2019. It is one of the largest colleges in rural Bengal, boasting a significant student population and a wide array of subjects at both undergraduate and postgraduate levels. Recently, the UGC upgraded our status to a Ph.D. Degree College with Research Centre.

The campus features a lush football ground, open sports areas, flower and herbal gardens, several large buildings, an auditorium, a gymnasium hall, a seminar room, an indoor sports complex and yoga centre, a student hostel, a photocopy center, a student canteen and common rooms, a bicycle stand, and the principal's quarters. Students have access to purified drinking water, a library with an OPAC system, and internet facilities.

Our curriculum includes various subjects in Science, Humanities, and Commerce at both UG and PG levels, along with non-traditional and career-oriented courses. PG programs are available in Bengali, History, Geography, Physics, Chemistry, Mathematics, and Computer Science. Along with traditional subjects, we also offer UG courses in some contemporary subjects like Microbiology, Biotechnology, Computer Science, and Computer Applications. Teacher training (B.Ed.) and physical education training (B.P.Ed) are integral parts of our institution, with the addition of an M.P.Ed. The course has further enhanced the opportunities for students.

The college operates in three shifts: Day, Morning (Extended Day), and Evening. Our student body is a diverse mix from both rural and urban backgrounds. Our students consistently achieve high academic success and excel in further studies. We are proud that many of our graduates go on to excel in research and secure prestigious positions both nationally and internationally.

About the department:

The B.Ed. course of Panskura Banamali College was introduced in the year 1967 with the affiliation of Calcutta University. With the inception of Vidyasagar University, the affiliation of the course was switched over from Calcutta University to Vidyasagar University by virtue of a notification issued by the Government of West Bengal w.e.f. 01/06/1985. The department became officially recognized in the year 2006 by the National Council for Teachers' Education (NCTE), a statutory body of UGC, Govt. of India, through memo no. ERC/7.76(C).2/2007/8171 Dated 04.06.2007.

Vision & Mission:

The vision of the teacher education department is to develop a cadre of professional educators as ideal teachers who, not only become good men with a full sense of humanity and ethics, but also input new knowledge to the students. The teacher educators, having been taught by models of good teaching, are prepared with an array of theories, tools, and skills necessary to create rich learning environments in which urban and rural children and youth can strive for and reach success.

The mission of the teacher education department is to promote and provoke teaching excellence through diversity of knowledge, culture, and communication. To this end, our department ensures to provide the following prospective excellence of teachers with:

Excellence in diversity of Knowledge:

- Broad and deep knowledge of academic content.
- Broad and deep knowledge of pedagogy as a professional.
- Ability to be reflective practitioners with a strong conviction that learning is a lifelong process achievable by all.
- Openness to examining the power and biases of knowledge and knowledge construction.

Excellence in the diversity of Culture:

- Ability to be caring and ethical persons to build teaching and learning environments that draw on the strengths of students' diverse cultures and learning styles.
- Ability to prepare students to actively and effectively participate in a political and social democracy.

Excellence in the diversity of Communication:

- Strong communication skills.
- Strong technological literacy skills.
- Ability to collaborate with parents and leaders/agencies in the local community.
- Ability to collaborate with the professional educational community.

We believe that the important responsibility of teacher educators is the growth and development of children and youth. We contribute to their development by preparing competent, caring, and reflective teachers. The policies and procedures are designed to equip prospective teachers with all the spheres, mainly the knowledge, attitudes, responsible behaviors, moral ethics, and skills they require to perform their tasks effectively in the classroom, school, and wider community as situations demand to date.
